Rise Against Hunger’s own core values align with Rotary International’s 5-way test by: encouraging transparency in all that we do; creating a culture of diversity, equity and inclusion; empowering individuals and communities through volunteerism and locally-based, sustainable solutions; and engaging thousands of volunteers in dynamic meal packaging and virtual experiences both in the US and internationally.

Serve locally. Impact globally.

Rise Against Hunger is growing a global movement to end hunger by empowering communities, nourishing lives and responding to emergencies. Rotary is a critical link to helping Rise Against Hunger provide support to people facing hunger around the world. Since the launch of our meal packaging program in 2005, Rotarians have packaged 30 million+ meals for distribution around the globe.

Together, we can eliminate hunger.
Support a Sustainable Development Project
To create long-term solutions to hunger and poverty, Rise Against Hunger works to empower communities through agriculture and income-generating initiatives. We operate sustainable programs in Zimbabwe, South Sudan, Senegal, Mali and Malawi.

Potential Opportunities for Rotary Grant Funding
- Create Bright Futures Through School Feeding
- Empower Women and Girls Worldwide
- Harvest Hope Through Agriculture

Respond to Emergencies
From droughts to floods to conflict zones, food is often the most immediate need. When everyday access to food and market systems are destroyed, Rise Against Hunger works with in-country partners to ensure assistance reaches communities where it’s needed most.

Engage Virtually With Us
Rise Against Hunger adapted to the pandemic situation and created a portfolio of virtual engagement experiences, such as Journey to Serve: Tanzania, a virtual impact trip; Gather for Good, a virtual team building trivia game; and Rise & Stride™, a virtual 5K/10K.

GET YOUR CLUB INVOLVED
Host a Meal Packaging Event: Is your Club ready to make a hands-on impact on world hunger? Rise Against Hunger Experience meal packaging events are a great way to make a difference. The meals packaged by your volunteers are distributed by Rise Against Hunger’s impact partners around the globe, providing nutrition and encouraging education through school feeding, vocational training and health clinics.

Contact us today about your next club experience!
